Recommended Drives for the Far South Section

Drive 1

The **H3** runs 63 kilometres south, all the way to Malelane Gate. Exit the **H3** left onto the **S114**, which crosses the Biyamiti River. You can continue on the **S114** all the way to Malelane gate, or turn right onto the **H2-2**, **S118**, or **S121** to get back to the main road.

Drive 2

From Crocodile Bridge on the **H4-2** take the **S25** (Crocodile River Road) left. Turn right on the **S108** and right again on the **H5** where you will find waterholes on either side. On reaching the **H4-2**, turn right again and the take the first left onto the **S130** (Gomondwane Loop), which you can follow up till the right turn onto the **S137** and left onto the **S28** that takes you to the Nthandanyathi Hide (to the right). From the hide, you can either take the **S28** south, back to Crocodile Bridge, or north to the **H4-2**, which connects to Lower Sabie.

Drive 3

Travelling north on the **H4-1**, from Lower Sabie to Skukuza, take the **S79** loop for a view of the Nwatimhiri Causeway. Continue on the **H4-1** taking the **H12** (right) over the Sabie River. Turn left onto the **H1-2** at the T-junction and follow the road up to the right-hand exit for the **S83** (Marula Loop). Back on the **H1-2**, the road leads past Tinga Legends Lodge and into Skukuza.

Drive 4

On the H3 from Skukuza, take the **H1-1** right towards Pretoriuskop. The **S66** dirt road leads to the Vervoeram, or take the **S11** further on past the Napi Rocks. At Pretoriuskop, exit the **H1** on the **S14** and keep left, joining the **H2-2** (Voortrekker Road), which leads past Jock's Birthplace back to the **H3**. At the **H3** junction, you can either turn left, back towards Skukuza, or turn right, towards Malelane Gate.
