

## Recommended Drives for the Central Section

### 🌿 Drive 1

For a short drive, head from the Olifants camp, travelling on the **H8**, and take the first sand road (**S93**) right. Travel up to Von Wielligh's Baobab, where the **S44** branches off to the right and loops around to the Olifants lookout and along the Letaba River. where you will take a left back onto the **S93** and head back toward the camp.

### 🌿 Drive 2

From Letaba Restcamp, travel north along the **H1-6** past Das Neve's Cross and take a right on the **S62**, which has several branches leading to smaller loops and lookout points, including the Matambeni Bird hide. The road leads all the way to the Longwe Lookout. The same route can be taken back to the **H1-6**.

### 🌿 Drive 3

The **H9** from Phalaborwa passes the **S51**, which takes you to the Sabie Hide, overlooking the Sabie Dam. Continuing along the **H9**, you will pass the Masorini Archeological Site and a picnic spot. Take the second left onto the **S96** to drive along the Shilawuri Loop which connects with the **S131**, onto which you turn right to reach the **H9** to Letaba Restcamp.

### 🌿 Drive 4

The **S40**, which you can reach via the **H7** from either Satara or Orpen gate, leads to the popular Timbavati area where there are picnic spots and get-out points for game viewing. Travelling on the **S40** from the South, take the **S39** (Timbavati Road), which runs alongside the Timbavati River, and returning to the **H7** between Orpen and Satara.
